

project.ME

Mission:

project.ME seeks to strengthen support systems through mentoring, empowerment & advocacy-aiding in the connection to recovery support services and resources while decreasing barriers for sustained recovery.

peer recovery
coaching

be connected with a Certified Addiction Peer Recovery Coach to assist you in addressing any barriers you have to entering into or stabilizing in your recovery from drugs or justice involvement. recovery coaches are also available for loved ones of people who use drugs.

narcan education &
distribution

through a partnership with Overdose Lifeline, project.ME is able to provide education on overdose intervention and Narcan administration as well as distribute life-saving Narcan and fentanyl test strips, at no charge.

harm reduction
street outreach

several times a week, the project.ME harm reduction street outreach team goes out into the community to meet people right where they're at. additionally, project.ME assembles and offers harm reduction & "Safe'R Use' kits to promote the health and safety of people who use drugs and the community, as a whole.
